Groomer Status:

Is your groomer broke down? Yes _____ No X

Date groomer broke down? _____ (m/d/y)

When will groomer be operational? _____ (m/d/y)

Additional Information

No Grooming or signing has been done yet due to limited snow and extreme cold temps!

Trails are not open yet due to limited snowfall. Good snow exists in the Nisbet Forest West of MacDowall .

Signage is limited and be wary of deadfall on many of the Forest trails. Watch for vehicles on many of the roads & trails in the Forest as there is not enough snow yet to limit vehicle traffic.

Closed for the Season _____

Thank you for assisting the SSA in collecting this information. Please fax, e-mail or phone your conditions to the SSA Office **by Noon on Wednesday of each week**. This information will be put on the 1-800 Snow Phone and SSA Web page Wednesday of each week. Snow & Trail Conditions will appear in the Regina Leader Post & Saskatoon Star Phoenix every Thursday on the Weather Page and on the CTV 6:00 pm News and Global News at 6:00 pm every Thursday during the snowmobile season.
